**\$500 REWARD**

**SYMPTOMS OF CATARRH.**—Dull, heavy feeling, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and purulent; the eyes are weak and watery; there is a ringing in the ears, deafness, humming or buzzing in the head, throbbing, excruciating or cutting to clear the throat, expectoration of offensive matter, together with a nasal discharge; the voice is changed and has a "nasal twang"; the breath is offensive; smell and taste are impaired; the head is ached; the system, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing and healing properties, Dr. Sage's Catarrh Remedy cures the Worst cases of Catarrh, "Cold in the Head," Coryza, and Catarrh of the Throat. Sold by druggists everywhere; 50 cents.

"Entirely Cured from Catarrh."  
 Prof. W. H. Hays, the famous member of the House, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My wife was such a bad case, that every day, I was obliged to hold her head over a bucket of water. My nose would keep running, and I could barely keep above a wafer. In the morning my coughing and clearing of my throat would almost choke me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Cured from Catarrh."  
 Thomas J. Renshaw, Esq., 202 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly having to clear my throat. For the last eight months I could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only cure remedy for catarrh now manufactured, and I can only give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to dieting, diet and other matters of importance, will be mailed, post-paid to any address, on receipt of a two-cent postage stamp. Address: World's Dispensary Medical Association, No. 663 Main Street, BUFFALO, N. Y.
